Contact has been made with various lawyers to explore a move to litigate against the Hanukkah Menorah set up on the White House Lawn every December for the "National Lighting Of The Hanukkah Menorah."

The Brother Nathanael Foundation's contention is that the Menorah is a "religious" symbol and NOT a "cultural" symbol as the Jews assert. Hanukkah Menorahs are displayed on both the exterior and interior of Jewish synagogues, thus PROVING the Menorah is a "religious" symbol.
